ARTICLE 3

Assistance on request

1. At the request of the applicant authority, the requested authority shall provide it with all relevant information which may enable it to ensure that customs legislation, including provisions on customs value and origin of goods, is correctly applied. This will also include information regarding activities noted or planned which are, or could be, operations in breach of customs legislation.
2. At the request of the applicant authority, the requested authority shall inform it:
 - (a) whether goods exported from the territory of one of the Parties have been properly imported into the territory of the other Party, specifying, where appropriate, the customs procedure applied to the goods;

(b) to notify any decisions,

emanating from the applicant authority and falling within the scope of this Protocol, to an addressee residing or established in the territory of the requested authority.

2. Requests for delivery of documents or notification of decisions shall be made in writing in an official language of the requested authority or in a language acceptable to that authority. In such a case Article 6(3) of this Protocol is applicable.

ARTICLE 6

Form and substance of requests for assistance

1. Requests pursuant to this Protocol shall be made in writing. They shall be accompanied by the documents necessary to enable compliance with the request. When required because of the urgency of the situation, oral requests may be accepted, but must be confirmed in writing immediately.
2. Requests pursuant to paragraph 1 of this Article shall include the following information:
 - (a) the applicant authority;
 - (b) the measure requested;
 - (c) the object of and the reason for the request;
 - (d) the legal or regulatory provisions and other legal elements involved;
 - (e) indications as exact and comprehensive as possible on the natural or legal persons who are the target of the investigations; and
 - (f) a summary of the relevant facts and of the enquiries already carried out.

3. Requests shall be submitted in English, French, Portuguese or any other language acceptable to the requested authority. Any accompanying documents shall be translated, if necessary, into a mutually acceptable language.
4. If a request does not meet the formal requirements set out above, its correction or completion may be requested; in the meantime precautionary measures may be ordered.

ARTICLE 7

Execution of requests

1. In order to comply with a request for assistance, the requested authority shall proceed, within the limits of its competences and available resources, as though it were acting on its own account or at the request of other authorities of that same Party, by supplying information already possessed, by carrying out appropriate enquiries or by arranging for them to be carried out. This provision shall also apply to any other authority to which the request has been addressed by the requested authority when the latter cannot act on its own.
2. Requests for assistance shall be executed in accordance with the legal or regulatory provisions of the requested Party.

3. Duly authorised officials of a Party may, with the agreement of the requested Party involved and subject to the conditions laid down by the latter, be present to obtain, in the offices of the requested authority or any other authority concerned in accordance with paragraph 1 of this Article, information relating to activities that are or may be operations in breach of customs legislation which the applicant authority needs for the purposes of this Protocol.
4. Duly authorised officials of the applicant Party involved may, with the agreement of the requested Party involved and subject to the conditions laid down by the latter, be present at enquiries carried out in the latter's territory.

ARTICLE 8

Form in which information is to be communicated

1. The requested authority shall communicate the results of enquiries to the applicant authority in writing together with relevant documents, certified copies or other pertinent items.
2. This information may be in computerised form.
3. Original documents shall be transmitted only upon request in cases where certified copies would be insufficient. These originals shall be returned at the earliest opportunity, or at the request of the competent authority which has provided them.

ARTICLE 9

Exceptions to the obligation to provide assistance

1. Assistance may be refused or may be subject to the satisfaction of certain conditions or requirements, in cases where the West Africa Party or the European Union Party is of the opinion that assistance under this Protocol would:
 - (a) be likely to prejudice the sovereignty of the West African State or of the Member State of the European Union which has been requested to provide assistance under this Protocol; or
 - (b) be likely to prejudice public policy, security or other essential interests, in particular in the cases referred to under Article 10(2) of this Protocol; or
 - (c) be likely to violate an industrial, commercial or professional secret.
2. Assistance may be postponed by the requested authority on the ground that it would interfere with an ongoing investigation, prosecution or proceeding. In such a case, the requested authority shall consult with the applicant authority to determine if assistance can be given subject to such terms or conditions as the requested authority may require.
3. Where the applicant authority seeks assistance which it would itself be unable to provide if so requested, it shall draw attention to that fact in its request. It shall then be for the requested authority to decide how to respond to such a request.

4. If the requested authority considers that the effort required to fulfil a request is clearly disproportionate to the perceived benefit to the applicant authority, it may decline to provide the requested assistance.
5. For the cases referred to in paragraphs 1, 2, and 4 of this Article, the decision of the requested authority and the reasons therefor must be communicated to the applicant authority without delay.

ARTICLE 10

Information exchange and confidentiality

1. Any information communicated in whatsoever form pursuant to this Protocol shall be of a confidential or restricted nature, depending on the rules applicable in each of the Parties. It shall be covered by the obligation of official secrecy and shall enjoy the protection extended to similar information under the relevant legal provisions of the Party that received it.
2. Personal data may be exchanged only if the receiving Party undertakes to protect the data in a way at least equivalent to that applicable to the particular case in the Party supplying the data.

3. The use, in judicial or administrative proceedings instituted in respect of operations in breach of customs legislation, of information obtained under this Protocol, is considered to be for the purposes of this Protocol. Therefore, the Parties may, in their records of evidence, reports and testimonies and in proceedings and charges brought before the courts, use as evidence information obtained and documents consulted in accordance with the provisions of this Protocol. The competent authority which supplied that information or gave access to those documents shall be notified of such use.
4. Information obtained shall be used solely for the purposes of this Protocol. Where one of the Parties wishes to use such information for other purposes, it shall obtain the prior written consent of the authority which provided the information. Such use shall then be subject to any restrictions laid down by that authority.
5. On request, the applicant authority receiving personal data shall inform the requested authority which supplied the data of the use made of it and the results achieved.
6. Personal data supplied under this Protocol shall be kept only for the time necessary to achieve the purpose for which it was supplied.
7. The requested authority supplying personal data shall, to the extent possible, ensure that this data has been collected fairly and lawfully and that it is accurate and up to date and not excessive in relation to the purposes for which it is supplied.

ARTICLE 11

Experts and witnesses

An official of a requested authority may be authorised to appear, within the limitations of the authorisation granted, as an expert or witness in judicial or administrative proceedings regarding the matters covered by this Protocol, and produce such objects, documents or certified copies thereof as may be needed for the proceedings. The request for appearance must indicate specifically before which judicial or administrative authority the official will have to appear, on what matters and by virtue of what title or qualification the official will be questioned.

ARTICLE 12

Assistance expenses

1. The Parties shall waive all claims on each other for the reimbursement of expenses incurred in the application of this Protocol, except, as appropriate, for expenses to experts and witnesses, and those to interpreters and translators who are not public service employees.
2. Without prejudice to the provisions of paragraph 1 of this Article and Article 7(1) of this Protocol, if the execution of a request requires justified expenses of an extraordinary nature, the Parties shall consult each other to determine the terms and conditions under which the request will be executed, including the manner in which the costs shall be borne.

ARTICLE 13

Implementation

1. The implementation of this Protocol shall be entrusted on the one hand to the customs authorities of the West African States and on the other hand to the competent services of the European Commission and, if necessary, the customs authorities of the Member States of the European Union. They shall decide on all practical measures and arrangements necessary for its application, taking into consideration the rules in force in particular in the field of data protection. They may recommend to the competent bodies amendments which they consider should be made to this Protocol.
2. The Parties shall consult each other and subsequently keep each other informed of the detailed rules of implementation which are adopted in accordance with the provisions of this Protocol.

ARTICLE 14

Other agreements

1. Taking into account the respective competences of the European Union and its Member States, on the one hand, and of ECOWAS, the UEMOA and the West African States, on the other hand, the provisions of this Protocol shall:
 - (a) not affect the obligations of the Parties under any other international agreement or convention;

- (b) be deemed complementary to agreements on mutual assistance which have been or may be concluded between individual Member States of the European Union and the West African States, and shall
 - (c) not affect the European Union's provisions governing the communication between the competent services of the European Commission and the customs authorities of the Member States of any information obtained under this Protocol which could be of interest to the European Union;
 - (d) not affect the relevant provisions of the West Africa Party governing the communication between the competent services of the ECOWAS Commission or the UEMOA and the customs authorities of their Member States of any information obtained under this Protocol which could be of interest to the West Africa Party.
2. Notwithstanding the provisions of paragraph 1 of this Article, the provisions of this Protocol shall take precedence over the provisions of any bilateral agreement on mutual assistance which has been or may be concluded between individual Member States of the European Union and a West African State, insofar as the provisions of the latter are incompatible with those of this Protocol.

ARTICLE 15

Application

In respect of questions relating to the application of this Protocol the Parties shall consult each other to resolve the matter in the framework of the Special Committee on Customs and Trade Facilitation set up under Article 45 of Chapter 5 of this Agreement.

CONVINCED of the need to make the EPA Development Programme (PAPED) one of the main instruments for ensuring the development dimension of the EPA;

TAKING NOTE of the conclusions of the Council of the European Union of 10 May 2010 and 17 March 2014, which welcomed PAPED and acknowledged the importance of mechanisms to help the West African region to address adaptation and adjustment needs in the economic, social and taxation fields, and estimates of the indicative funds available at those dates for activities connected to PAPED under all its financial instruments;

WISHING to specify the arrangements for implementing and supporting PAPED by way of agreement, by means of an annex forming an integral part of the EPA and in accordance with its principles;

HAVE AGREED AS FOLLOWS:

CHAPTER I

OBJECTIVES AND PRINCIPLES

ARTICLE 1

Objectives

1. The objective of this Protocol is to specify the implementation arrangements for the PAPED on the basis of the provisions of part III of this Agreement. This implementation shall be carried out in a spirit of partnership, in the context of support for the West African region's efforts to meet the objectives defined in the EPA and the Cotonou Agreement.

1. The Parties undertake to apply this Protocol while taking into account internationally-agreed commitments on the effectiveness of development aid, and the development objectives, strategies and priorities of the West African region at both national and regional level. In particular, the vulnerability of landlocked and island countries and the specific needs of post-conflict countries shall be taken into account.
2. In the context of pursuit of the objectives of the EPA and the application of this Protocol, the Parties shall affirm and adhere to the following principles:
 - (a) alignment between stated needs and funding;
 - (b) aid ownership and predictability in the sense of the Paris Declaration on Aid Effectiveness and the Accra Agenda for Action;

CHAPTER II

ARRANGEMENTS FOR THE IMPLEMENTATION OF PAPED

ARTICLE 3

Programming

1. PAPED shall be implemented on the indicative basis of a matrix of activities broken down into operational plans specifying the priority activities of the West African region at national and regional level, their estimated costs and their schedule for implementation. The operational plans shall be established through a participatory process and in consultation with the technical and financial partners for each implementation period, on the basis of the PAPED framework document.

2. In application of Article 54 of this Agreement, the programming of European Union assistance shall be carried out for the European Development Fund (EDF) in accordance with the provisions of the Cotonou Agreement and national and regional indicative programmes. The programming of assistance provided by the European Union Member States shall be carried out in accordance with the provisions of their respective bilateral cooperation instruments. For other instruments, programming shall be carried out in accordance with their respective legal bases.
3. The operational plans shall be sufficiently flexible to ensure that the activities are kept constantly in line with PAPED objectives, and to take account of any changes occurring in the circumstances of States and regional organisations. To that end, the two Parties shall, *inter alia*, carry out a periodic review of these plans.
4. The Parties shall agree to seek synergies and complementarities between PAPED activities and other programmes to support trade during the drafting, implementation, monitoring and evaluation phases, including in the implementation of the working arrangement.
5. In the context of the procedures referred to in Article 54 of this Agreement, the Parties shall agree on the indicative funding plans relating to the operational plans following a dialogue involving the other technical and financial partners, the conclusions of which shall be jointly agreed and signed by the West Africa and the European Union Parties.
6. The West Africa Party shall undertake to ensure consistency between the implementation of PAPED of the one part, and its economic and sectoral development policies and strategies and budget planning instruments of the other part.

2. The indicative amount of funding to be provided by the European Union Party for each multi-annual plan shall be notified to the West Africa Party at the beginning of the period, subject to the duration of the programming cycles of the cooperation instruments employed to that effect, in accordance with Article 3(5) of this Protocol.
3. Before the end of each period of implementation of the operational plans, the Parties shall evaluate the state of implementation of the programmes, the extent to which the commitments have been achieved, and the level of disbursements. This joint evaluation shall serve as the basis for the operational plans for the next period.
4. The Joint Council of the West Africa-European Union EPA shall consider any matter relating to developmental aspects of this Agreement and formulate appropriate recommendations for its effective implementation.

ARTICLE 6

The EPA regional fund's areas of intervention are those covered by PAPED.
2. Notwithstanding the provisions of paragraph 1 of this Article, the Parties may agree on any other mechanism or arrangement to finance PAPED. Where appropriate, the Parties shall establish procedures in line with the Paris Declaration on Development Aid Effectiveness and the Accra action programme in order to ensure the simplified, effective and timely implementation of assistance.

CHAPTER IV

WORKING ARRANGEMENT

ARTICLE 8

Working arrangement

1. Taking account of its commitments on aid effectiveness, and in the context of its support for PAPED, the European Union Party shall put in place its own working arrangement, consistent with the institutional set-up of the EPA, aimed at ensuring, *inter alia*, the following functions:

ARTICLE 9

Evaluation

1. The Parties shall ensure that PAPED is evaluated at agreed intervals. The strategic framework of PAPED, its matrix of activities and its operational plans are the basic elements for this evaluation.

2. In the framework of the Competitiveness Observatory provided for in Article 61 of this Agreement, the Parties shall jointly define the output and result indicators, in particular regarding the effects and impact of the EPA and PAPED in the West African region on, *inter alia*, competitiveness and diversification of production, investments, regional trade, trade with the European Union and the rest of the world, particularly exports of processed products and services from the West Africa Party, employment and, more generally, the economic and social development of the West African States.
3. Under the provisions of part III of the Agreement, the Parties shall use the jointly defined indicators to seek synergy between the pace of implementation of the commitments made by the West Africa Party on the one hand, and the progress in implementing PAPED activities and programmes on the other.

ARTICLE 10

Review of this Protocol

Amendments and revisions to this Protocol shall be subject to the same rules and procedures as those provided for in Article 111 of this Agreement.

JOINT DECLARATION
REGARDING COUNTRIES
WHICH HAVE ESTABLISHED A CUSTOMS UNION
WITH THE EUROPEAN UNION

The European Union Party underlines the obligation for countries which have established a customs union with the European Union to align their trade regime with that of the European Union and, for some of them, to conclude preferential agreements with the countries that have preferential agreements with the European Union.

In this context, the European Union calls upon the West Africa Party to enter negotiations as soon as possible with the countries which:

- (a) have established a customs union with the European Union and
- (b) whose products are not covered by the tariff conditions provided for by this Agreement, with the aim of concluding a bilateral agreement establishing a free-trade area.

The West Africa Party takes note and informs the European Union Party that it will do everything to ensure that the European Union's request regarding the negotiation of free-trade agreements with the countries concerned will be appropriately examined.
